Who's Studying What in the MSE Department

January 2014

Has it been a while since you graduated? ('Perhaps quite a while?') As the years go by, memories fade, and professors come and go, so here's a handy guide to the research areas of the MSE Department faculty along with their contact information.

[Read more.](#)

MSE Highlights

- Ludovico Cademartiri, MSE Assistant Professor, was featured in a College of Engineering article about his research on [nanowires](#).
- MSE has been selected as [one of 22 graduate programs](#) at ISU to receive central funding for an additional - and exceptional - doctoral student under President Steven Leath's [Presidential Scholars](#) program.
- Mufit Akinc [blogs](#) about International engagement trip to East Asia
