The Lattice*

The weekly newsletter for MSE undergraduate students

MSE Senior Updates

**VERY IMPORTANT Senior Email**
An email from Andrea should have arrived in your inbox Tuesday (4-28) indicating important tasks that must be completed either prior to or soon after commencement:

- Please email Andrea with your current plans for after graduation (even if the answer is "seeking employment" or "applying to graduate schools for entry in F15/ S16." If you are applying to graduate schools, please indicate which ones)
- Please send Aimee Burch (MSE Communications Specialist) photos of you and your graduating peers by May 7 (if possible). As these will be going in a pre-commencement slideshow, please make sure they are clean and appropriate photos ;).
- Complete the graduating senior “exit survey” via Qualtrics prior to June 1. Information on the importance of this survey and its uses can be found in their entirety in Andrea’s email.
- Complete the OPAL assessment prior to June 1. The directions for this assessment can also be found in their entirety in Andrea’s email.

**CoE Graduation Information**
All Spring 2015 College of Engineering Commencement information can be found here, including information on the times and locations of ceremonies and receptions held during Commencement weekend.

**Register for Commencement and Pre-Commencement Activities in AccessPlus**
Don’t forget to register via AccessPlus within the “Diploma/Ceremony” menu option found under the “Graduation” tab. This will indicate your intentions for participating in the ceremony and where and how you will receive your diploma. This is also where you will RSVP for the MSE Pre-Commencement Reception. This MUST be completed ASAP. RSVPs are due FRIDAY, May 1. If you do not meet this deadline, please email Melissa with your reservations.

**Internship Information Needed**
Completing an internship this summer? If so, don’t forget to register for it through Engineering Career Services. More information on how to register can be found here.

**Welcome to The Lattice**
Thanks to all who submitted name suggestions! After careful consideration, the Lattice, submitted by Alexander Howard, was chosen! In his submission, Alexander said he thought The Lattice was a good name because it’s periodical, much like this weekly newsletter. Congratulations Alex!

Registration ongoing for Summer and Fall 2015
Registration continues for the upcoming summer and fall semesters.

If you are having difficulties getting into classes or specific sections of classes, please email Andrea.
