

Long-time MSE Staff Member Lynne Weldon Honored at ISU Plaza of Heroines

November 19, 2012

In April, 2012, long-time MSE staff member Lynne Weldon died of breast cancer. Lynne was a dedicated employee of the Materials Science & Engineering Department for 30 years, and during those thousands of work days she touched the lives of countless faculty, staff, and students in the ISU community with her strong work ethic, loyalty, quiet compassion, and friendliness.

MSE Highlights

- At the 2012 MS&T Conference held October 7-11 in Pittsburgh, Material Advantage, MSE's undergraduate student organization, won best student chapter in the United States for the 9th consecutive year!
- MSE's ABET accreditation visit took place November 4-6. The department feels the visit went well.
