2014 U.S. News and World Report: Materials Engineering program at ISU moves up in rankings

September 27, 2013

Iowa State's undergraduate program in materials engineering ranked 15th among U.S. programs (#9 among public institutions) in the recently released U.S. News & World Report 2014 rankings. Last year I.S.U.'s materials engineering program ranked 17th in these rankings.
